APPLYING RESEARCH TO PRACTICE GRO-O-GRAM

March, 2009

Why are you receiving this GRO-o-gram?

You receive this GRO-o-gram because you are employed by a member district of Northeast Metro 916 or Intermediate 287; or you have attended a GRO sponsored workshop; or you have requested to be on the GOG mailing list; or your name has been provided by another educator indicating that you might appreciate receiving this information. If you no longer wish to receive the **Applying Research to Practice GRO-o-Grams**, please reply to this email with “Unsubscribe” in the body of the message.

What is High School Success Emporium II? When will it be held?

Much has been written about high school redesign and many high school educators have been actively engaged in high school redesign work for several years. There are many success stories to share. At the first High School Success Emporium held in August, 2008, success stories were shared by teams from Edina, Osseo, Richfield, Robbinsdale and South Washington County.

The Grants and Research Office (GRO) is hosting the High School Success Emporium II on Monday, June 15, 2009 from 8:30-3:30 at the District 287 Intermediate District Service Center in Plymouth. Mark your calendars now and watch for opportunities to participate in the upcoming weeks.

Are you seeking professional resources to guide your high school redesign efforts?

Many online resources are available by going to
http://www.grantsandresearchhelp.us/research/high_school.asp

Are there other resources or services available to me from the Grants and Research Office (GRO)?

Yes, go to the Grants and Research website at <http://www.grantsandresearchhelp.us/default.asp> for additional resources on differentiated instruction, high school redesign, and scientifically based curricular area education research.

If you are a member of one of the 24 school districts represented by Intermediate District 287 or Northeast Metro 916, you are automatically eligible for member discounts on the professional development classes offered by the Grants and Research Office.
